Important Questions	Answers	Why This Matters:
What is the overall deductible for this plan?	\$0 EHP Select Pediatric provider; \$500/person, \$1,000/family; excludes charges above allowed amount.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care and prescription drugs are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. \$1,000 lifetime deductible for infertility treatment.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical: \$3,000/person, \$6,000/family. Prescription drugs: \$4,100/person, \$8,200/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Charges above <u>plan</u> maximums, <u>premiums</u> , health care this <u>plan</u> doesn't cover, penalties for failure to obtain <u>preauthorization</u> .	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.ehp.org or call 1-800-261-2393 for a list of innetwork providers.	This <u>plan</u> uses a <u>provider network</u> . You usually pay the least if you use an EHP Select Pediatric or Preferred <u>Network Provider</u> . You usually pay more if you use an EHP <u>Network Provider</u> . This <u>plan</u> does not cover charges from <u>out-of-network providers</u> . If you use an <u>out-of-network provider</u> , you will be responsible for the full amount of the <u>provider's</u> charges. Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies. Except for <u>Emergency room care</u> and <u>Specialist</u> visits, no <u>copayment</u> or <u>coinsurance</u> applies for services by an EHP Select Pediatric provider.
