

# When school's out, we're in.

## Use your Bright Horizons® school-break benefits.

Don't let summer sneak up on you.

### **Your back-up plan — ready when you need it.**

Count on your back-up care benefit to get the extra help you need for planned breaks and unexpected schedule glitches. From camps to educational programs at Bright Horizons centers to care right in your home, your child will get the rewarding days they deserve. You can reserve back-up care in advance — book now before spots fill up.

### **Enrichment programs for days...and days.**

Explore creative, educational programs — with in-person and virtual options — like travel games, coding lessons, robotics, and more. All to take your child to new heights in fostering their thinking and skill-building. The possibilities are endless.
